

# Honoring Hesperia's Veterans

*The Village of Hesperia is currently undertaking a project to update and improve the village's historical Webster Park. The park is located at the corner of M-20 and M-120 (next to the library).*

*To enhance the Veteran's Memorial located on the west side of the park facing M-120, the Village Council would like to install brick pavers surrounding the existing granite memorial.*

*Plans for the project include engraving the names of men and women on the brick pavers who have lived in the Hesperia area and who have served in the armed forces.*

*Help make this project possible by sponsoring a brick for \$50 to honor a veteran. Sponsorships may include those who are actively serving.*

*Your Generous Support is Appreciated*
